

COTOBIKE 1 DAY

Cotopaxi National Park is an exiting day that begins with spectacular views of the unique Andean Landscape in the Volcanoes Avenue .Once inside the National Park we hike up to the refugee that is located at 4800 m, in here we are going to have a little rest to refill our energy .Once done with this we will hike a little more till we reach for the glaciers ,a total altitude of 5000m .On Our way back we are going to stop again at the refugee to have our deserved lunch ,followed by a down hilling to Limpiopungo Lagoon .We will return to the parking lot and take our way back to Quito. The weather of Cotopaxi is unpredictable so we recommend bringing warm clothing with you.
